Sports Meet

The school takes this opportunity to thank the students and their parents for the contribution towards the recently held sports meet.

Mrs. Padma Karunakaran warrants a special mention as she was instrumental in preparing all the prizes for the sports meet. Also to all parents who had volunteered their precious time and effort to supply us with various delicious food varieties for lunch and in assisting in the clean-up process as well.

Concert Update

Our Annual concert will be held on 8th of **September 2007 at Holland Park High school.**

The teachers of the school have put their creative minds together and finalised the performances for the concert. It is at this juncture that we urge all parents to provide their support to this concert. We urge all participants to attend the scheduled practice sessions without fail. Please let the teachers know beforehand if you cannot attend any of the sessions due to unforeseen circumstances. The rehearsals are hampered when participant(s) of the performance is/are absent. The participants' attendance also provides the impetus to young talents who are volunteering their precious time towards training our participants such as Selvi, Menaka Viswanathan and Selvi. Shivakami Kumarathash.

Tickets for the concert have been distributed to all parents. Please encourage your friends and relatives to attend the concert.

An e-mail was sent out to all the parents to help out with getting some advertisements for the concert magazine. Any help will be much appreciated as it will help the school with much needed funds.

Students' Progress Review

If any of the parents have any questions about their child(ren)'s progress at the Tamil School, please

arrange a time with the respective teacher to discuss and get an update.

LOTE Training

All teachers and Mr. Vijekumar have been regularly attending LOTE trainings to keep up with the latest LOTE curriculum developments.

Health and safety

The Holland park school has advised that **no food or drink is allowed in the classrooms.** Crayons are allowed only if the desks are covered with butchers' sheet. Students are requested not to drop the pencil clippings.

Students and Parents are reminded not to run around in the class rooms and also in the car park area as this could be very dangerous.

The toilet will be kept closed when not in use. If anyone wants to use the toilet you can pick up the keys from one of the roster parent. Due to safety reasons students are **not allowed to go alone** to the toilet. Please ask one of the senior students or a parent to accompany you.

Radio 4EB

Radio 4EB has advised that they are happy to invite children from Tamil school if they want to perform dramas, sing songs etc. For further information, please contact Mr. Kumarathash or Dr. Senthilvasan.

Tamil School Website

Our Tamil School WebMaster Mr. Subaaharan has updated our website www.brisbanetamilschool.org with lots of useful information. Please visit our website and contribute if you have any greater ideas.
